

## ALAIN GUILLAUME ELECTED HONORARY MEMBER AT XXVII FEFAC CONGRESS IN ANTALYA

(16) CP 8

Antalya, 21 April 2016

At the occasion of the XXVII FEFAC Congress in Antalya, Alain Guillaume was elected Honorary Member. Alain Guillaume (SNIA, Sanders) was praised for his devotion to the compound feed industry at both French and European level, as well as for his visionary qualities, which most notably led to the establishment of EUROFAC in March 2016. Alain Guillaume also played a decisive role in the establishment of Duralim, the platform supporting the responsible sourcing of feed materials for the French feed industry. His role as President of SNIA and member of the FEFAC Praesidium have strongly contributed to the positioning of the feed industry as a credible and reliable partner for the livestock sector and a respectable interlocutor towards national and European Institutions.

Since FEFAC was founded as a federation in 1959, the title Honorary Member has been awarded to the following persons: Mr Hubert Marek, Prof. Marcel van Belle, Mr Carl Brenninkmeyer, Mr André Namur, Mr Franz-Josef Juchem, Mr Giordano Veronesi, Mrs Helen Raine and Mr Marek Kumprecht.

**Notes to the editor:**

1. FEFAC, the European Compound Feed Manufacturers' Federation, represents 25 national Associations in 24 EU Member States as well as Associations in Switzerland, Turkey, Serbia, Russia and Norway with observer/associate member status. The European compound feed industry employs over 110,000 persons on app. 4,000 production sites often in rural areas, which offer few employment opportunities.
2. Farm animals in the EU-28 consume an estimated 475 million tonnes of feed a year, of which about 30% are produced by the compound feed manufacturers. Turnover of the European compound feed industry in 2013 is estimated at €55 billion.
